

# West Point City Policy Priorities

## Tier I

- Fiscal Balance and Accountability
- Develop, Plan, and Maintain Infrastructure
- Community-Compatible Economic Development
- Sustainable Growth through Vision and Planning
- Quality Recreation Programs and Regionally-Coordinated Infrastructure and Facilities

## Tier 2

- Community Celebrations and Events
- Parks, Trails, and Open Spaces
- Open and Responsive Government
- Regional Cooperation, Coordination, and Involvement by Council and Staff
- Active Emergency Preparedness

## Memo

TO: All Department Managers  
FROM: Kyle Laws, Assistant City Manager  
DATE: January 3, 2012  
RE: **FY 2013 Budget Process**

It is time, once again, to look at the City's budget for the upcoming fiscal year (FY2013). Any new request must have a corresponding expense reduction, revenue enhancement or justification as to why the adjustment is required. This means that unless a request addresses a preexisting issue already discussed with the City Manager, is a direct response to direction received from City Council at the Visioning Session, or deals with same-level of service adjustments (ie: inflationary adjustments) or other unforeseen but justifiable needs, no new budget options should be submitted by departments without expense or revenue offsets.

Your budget recommendations should each reflect Council's Policy Priorities, namely:

### Tier 1

- Fiscal Balance and Accountability
- Develop, Plan, and Maintain Infrastructure
- Community-Compatible Economic Development
- Sustainable Growth through Vision and Planning
- Quality Recreation Programs and Regionally-Coordinated Infrastructure and Facilities

### Tier 2

- Community Celebrations and Events
- Parks, Trails, and Open Spaces
- Open and Responsive Government
- Regional Cooperation, Coordination, and Involvement by Council and Staff
- Active Emergency Preparedness

As such, each request must be linked to one (or more) of the ten Council Priorities. You are also strongly encouraged to utilize performance measures or other quantitative justifications as part of the rationale for their options.

Our "Base Budget" for next year will be this year's budget. In other words, unless a line item is increased or decreased through one of the changes discussed above, assume that it will remain the same for FY 2013.

Operating budget changes are due to the Assistant City Manager on or before **Friday, January 20<sup>th</sup>**.

### **Budget Meetings with the City Manager & Assistant City Manager**

Gary and I would like to meet with each department as defined below between February 8<sup>th</sup>-10<sup>th</sup> to discuss your proposed operating budget requests:
